on october 1 2009 the people s republic of china prc celebrated the 60th anniversary of its founding and what an eventful and tumultuous six decades it had been during that time under the leadership of the chinese communist party ccp china was transformed from one of the world s poorest countries into the world s fastest growing major economy and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the united states for global influence over those same years the prc also experienced the most deadly famine in human history caused largely by the actions and inactions of its political leaders not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy

today china is for the most part peaceful prospering and proud this is the china that was on display for the world to see during the beijing olympics in 2008 the ccp maintains a firm grip on power through a combination of popular support largely based on its recent record of promoting rapid economic growth and harsh repression of political opposition yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption extreme inequalities and a rising tide of social protest politics in china is an authoritative introduction to how the world s most populous nation and rapidly rising global power is governed today written by leading china scholars the book s chapters offers accessible overviews of major periods in china s modern political history from the mid nineteenth century to the present key topics in contemporary chinese politics and developments in four important areas located on china s geographic periphery tibet xinjiang hong kong and taiwan

latest edition of a standard introductory text that places the description of modern chinese politics from the rise of mao to the present in historical and cultural context pye mit is a noted authority on asian and comparative politics annotation copyright book news inc portland or

do you want to know more about the world s newest superpower then china is the book for you china is a comprehensive look at the world s most populous country china by rjt puthumana is well written and factual chapters are organized into the history culture geography economy government and more about china stunning visuals also complement the book illustrating the text this book is can be read for enjoyment or used for projects and other necessary actions a must read for all who want to know more about this amazing nation did you know that there is only one time zone in the entire nation find out more similar facts in this book

on october 1 2019 the people s republic of china prc will celebrate the 70th anniversary of its founding and what an eventful and tumultuous seven decades it has been during that time under the leadership of the chinese communist party ccp china has been transformed from one of world s poorest countries into one of its fastest growing economies and from a weak state barely able to govern or protect its own territory to a rising power that is challenging the united states for global influence but in the late 1950s the prc experienced the most deadly famine in human history caused largely by the actions and inactions of its leaders not long after there was a collapse of government authority that pushed the country to the brink of and in some places actually into civil war and anarchy and in 1989 the ccp unleashed the army to brutally crush demonstrations by students and others calling for political reform china is now for the most part peaceful prospering and proud the ccp maintains a firm grip on power through a combination of harsh repression and popular support largely based on its recent record of promoting rapid economic growth yet the party and country face serious challenges on many fronts including a slowing economy environmental desecration pervasive corruption

extreme inequalities ethnic unrest and a rising tide of social protest politics in china provides an accessible yet authoritative introduction to how the world's most populous nation and rapidly rising global power is governed today the third edition has been extensively revised thoroughly updated and includes a new chapter on the internet and politics in china the book's chapters provide overviews of major periods in china's modern political history from the mid nineteenth century to the present examinations of key topics in contemporary chinese politics and analyses of developments in four important areas located on china's geographic periphery tibet xinjiang hong kong and taiwan

china today is never out of the news from human rights controversies and the continued legacy of tiananmen square to global coverage of the beijing olympics and the chinese economic miracle it seems a country of contradictions a peasant society with some of the world's most futuristic cities heir to an ancient civilization that is still trying to find a modern identity this very short introduction offers the reader with no previous knowledge of china a variety of ways to understand the world's most populous nation giving a short integrated picture of modern chinese society culture economy politics and art about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

it's time we got to know a little more about the chinese did you know they don't eat soup they drink it that their surnames come before their first names that their good sense is to be found not in their heads but in their hearts or that white is their colour of mourning this guide to avoiding the numerous pitfalls of chinese etiquette is both amusing and informative the writer and journalist kai strittmatter lived and worked in china for ten years this amusing affectionate and perceptive book provides a fascinating guide to this lively sociable and friendly people and their complex and often contradictory society as the author says be prepared for everything when you come to beijing it really is unbelievable what can happen here the new material in this edition takes a critical look at the challenges posed by this the next global superpower

mandarin chinese an introduction provides a systematic overview of mandarin chinese from the perspective of the english speaking learner using a comparative approach it contrasts grammatical and other features of mandarin chinese language with relevant issues in english the book opens with a chapter on the setting of the chinese language giving a brief account of the historical geographical social and linguistic background of china included is a discussion of how modern chinese politics has played an important role in the development of modern standard chinese other topics include sounds and tones writing vocabulary grammar and

discourse mandarin chinese brings a wide range of topics and issues together in one volume presenting a coherent easy to follow picture of the language and a practical efficient way to learn

an overview of chinese translation studies at the beginning of the 21st century presents and analyses over 100 000 bibliographic notes contained within a large academic database focusing on translation within china exploring chinese translation studies two decades before and after the year 2000 the book will introduce aspects of theory culture strategy register genre and context to the field of translation in china and will also take into account the impact of technology education and research within this field aimed at postgraduate students and researchers of translation studies the focus of an overview of chinese translation studies at the beginning of the 21st century is the theory and practice of translation studies within a fast paced and growing academic discipline

the question of shifting american power

to understand china we need to step into the palace of her culture and explore her rich history with this in mind a group of scholars from china and america have put this book together as a kind of primer on all things china from art and science to religion and society they have tried to offer here a panoramic view of the totality of chinese culture using only the most representative material to introduce to the west the most typical aspects of chinese civilization and life

are you interested in the history of china would you like to know more about the peculiarities and characteristics of each chinese era would you like to get a basic overview of china and its history

an introduction to chinese politics which provides an accessible overview of the structures and dynamics of chinese politics today concentrating on the era since 1949 the text takes a look at politics in the widest sense analysing political institutions within the crucial broader context of chinese history and the pressures of social economic and cultural changes
